

2022 ODBC Foundation Regatta Sailing Instructions

OLD DOMINION BOAT CLUB FOUNDATION (ODBCF)

On the water support provided by

DAINGERFIELD ISLAND SAILING CLUB (DISC)
August 27, 2022

PART I

1. Skipper's bag pick up on Saturday August 27, 2022 0800 – 0900 outside the marina store at the Washing Sailing Marina.
2. Saturday Skippers meeting will be at 0830 in front of the marina store.
3. Saturday Post Race Party begins as soon after racing as possible, August 27, 2022 at the Old Dominion Boat Club, 0 Prince St, Alexandria, VA 22314. The band starts playing at approximately 1600. No parking is available at ODBC. Please use nearby public parking.

BMW of Fairfax

BEATING CANCER IS IN OUR BLOOD.

PART 2

1. **Rules** – This regatta will be governed by the “rules” as defined in The Racing Rules of Sailing (RRS). *“If there is a conflict between the Event Sailing Instructions and the Notice of Race, the Event Sailing Instructions shall apply.”* This modifies RRS 63.7. [NP] in a rule means a boat cannot protest another boat. [DP] in a rule means the penalty is discretionary and can be less than disqualification. Event Sailing Instructions and Notice(s) of Change will be posted on www.discsailing.org up until 2400 on Friday August 26, 2022.

Entries - All entries to the ODBC Foundation Regatta must be received by 0930 hours August 27, 2022. All PHRF boats entering this regatta should have a valid 2022 PHRF of the Chesapeake certificate. Participating boats without a valid PHRF of the Chesapeake rating may be assigned a courtesy rating by the Race Committee.

[NP] Old Dominion Boat Club Foundation (ODBCF) and Daingerfield Island Sailing Club (DISC) recommend that each PHRF competitor review and prepare their boat to the U.S. Sailing Safety Equipment Requirements, Nearshore. A copy of the Nearshore requirements is available at <https://cdn.ussailing.org/wp-content/uploads/2022/01/Monohull-SER-2022.0-Nearshore.pdf>. Multihulls, and One Design boats under 19 feet, should comply with their class rules and all local and US Coast Guard requirements.

The owner/skipper of each boat entered shall be responsible for the actions of his/her crew, guests, and support persons. In the event of a serious breach of conduct, sportsmanship, destruction of property, compliance with any and all COVID-19 restrictions, or failure to comply with a reasonable request from any regatta official, the boat or competitor may be subject to expulsion from the regatta.

2. **Notices to Competitors** – Notices to competitors will be posted on the ODBC website (<https://www.olddominionboatclub.com/event-4891765>). The Race Committee may change these instructions up until the end of the mandatory Skipper’s Meeting and if necessary, on the water. If changes are made on the water, the Race Committee will display the “L” flag with one horn blast and make a courtesy announcement on VHF channel 69. Failure to receive the announcement or to receive the changes will not be considered as grounds for redress. This modifies RRS 62.1.

3. **Schedule of Races** – A mandatory skippers meeting will be held at 0830 Saturday August 27, 2022 outside the marina store at Washington Sailing Marina. The first race for middle courses will be approximately 1000, for the North courses 1015. It is the intention of the RC to hold at least two races but no race will be started after 1500 hours. A cookout and awards ceremony and post-race party will follow at the Old Dominion Boat Club, 0 Prince St, Alexandria, VA 22314. There is no parking on the club premises but is available in adjacent parking facilities. Rafting of boats will be allowed at ODBC docks. Please contact race organizers if you plan to raft up.

4. **Classes** – There will be at least two PHRF classes scored for the ODBC Foundation Regatta: Spinnaker class and Non-Spinnaker class. All one design entries will be scored, classes of five or more will get a separate start, smaller classes may be combined.

5. **Radio** - Boats in the middle (PHRF) courses should monitor VHF channel 69, boats in the North courses should monitor VHF channel 71 for courtesy communications from the Race Committee. All radio communications will be a courtesy, failure to receive, understand, or the content of the message will not be

2022 ODBC Foundation Regatta PART 2

considered as grounds for redress. VHF transmissions should be limited to essential communications. Except in an emergency, no boat can receive radio or cell phone communications that are not available to all participants during the regatta. This modifies RRS 62.1.

6. **Racing Area** – Races for PHRF fleets will be held on the DISC Middle Courses. Information for these courses can be found on the DISC website (www.discsailing.org) under the Racing tab. The Start/finish line will be in the vicinity of Potomac River R 6. The One design fleets will race in the Haines Point area. The start/finish line will be in the vicinity of GR HP (2+1) G6s. Any unscheduled change of race location will be disseminated by the Race Committee on the water. If changes are made on the water, the Race Committee will display the “L” flag with one horn blast and make a courtesy announcement on VHF channel 69 (middle courses) or 71 (North courses). Failure to receive the announcement or to receive the changes will not be considered as grounds for redress. This modifies RRS 62.1.

7. **Middle Course marks** – The DISC middle courses will use fixed government marks as part of the courses. All marks serving as turning marks are to be left to Port unless that mark is a finishing mark, **or the Race Committee has posted “S” on the race board in front of the course number. When “S” is posted before the course number, all turning marks are to be left to Starboard.** Courses will be displayed on the course board on the Race Committee Boat and are available at www.discsailing.org under racing resources and shown in Appendix A.

7a. **North course marks** — It is the intention of the Race Committee to use windward/leeward courses, with a gate as the leeward mark. All marks except for the port gate mark will be left to port. If there is not a gate at the leeward mark, the mark will be left to port. The course marks are as follows:

The start/finish pin is a white cylinder with a red flag on top.

The windward, and leeward marks will be inflated orange cylinders.

The offset mark, if used, will be a small orange ball.

Change marks will be yellow cylinders.

If a change mark is used the replacement will be the original mark. The number of laps will be designated by a flag with a number. The RC will announce the course information over VHF channel 71, failure to receive or understand the announcement will not be grounds for Redress. This modifies RRS 62.1. Courses are shown in Appendix B.

7b. Class Flags and Starting order

<u>Class</u>	<u>Class Flag</u>
Multi-hulls	Flying H on yellow
Inland-20s	I-20 on white
Lightnings	Red flash on yellow
Buccaneers	Crossed cutlasses on white
Albacores	AL on white
Flying Scots	FS on yellow
Lasers	Red laser burst on white

8. **Boat check in** - Before the warning signal for the first race, each competitor shall pass by the stern of the Race Committee boat and hail their class and sail number until acknowledged by the Race Committee. A boat may not protest a breach of this instruction. This changes RRS 60.1, 62.1.

2022 ODBC Foundation Regatta PART 2

9. **Starting and Finishing Lines** – For the middle courses the Start/finish will be located between Potomac River “R6” and the orange flag on the Race Committee Boat. The starting and finishing line will be an imaginary line from the Race Committee boat's main mast, or an orange flag, and the center section of the government mark serving as the pin end of the line. This modifies RRS definitions, and S11.1. For the North courses the start line will be between the orange flag on the port side of the Race Committee boat and a drop mark, the finish line will be between a blue flag on the port side of the committee boat and the drop mark.

9.1 After finishing, skippers using the middle courses are encouraged to NOT re-cross the finish line but to instead continue sailing out of the racing area. Violations of this guidance may result in the Race Committee issuing a *Protest* of that vessel on RRS 23.1 Interference, as that offending vessel may interfere with boats that are still racing.

10. **Time Limit** - 1.5 hours per race. A boat in a fleet must finish within the time limit, all other boats must finish within 30 minutes thereafter. Boats not finishing within the time limit will be scored TLE. However the RC can use their discretion to lengthen the course time depending on weather conditions.

11. The Start -

11.1 Races will be started using RRS 26.

11.2 An Attention Signal consisting of a series of short sounds will be made approximately one minute before the Warning Signal for the first race. This is not a timed signal.

11.3 The Starting Area is defined as the area extending 50 yards beyond each end of the starting line and 75 yards behind the line and its extensions. After the first warning signal for each race, boats shall keep clear of this area until the warning signal for their fleet.

11.4 A Race Committee boat that is also a starting mark may set a limit mark that shall be passed on the same side as the Race Committee boat. A boat shall not touch either the limit mark or the Race Committee boat or pass between them. For the purposes of RRS 31 (Touching a Mark) and RRS 28.1 (Sailing the Course), the limit mark and the Race Committee boat shall be considered to be a single starting mark.

11.5 There may be three starts for the middle courses: The first start is for the spinnaker fleet (green flag) and the second start is for the non-spinnaker fleet (blue flag). **There will be a 5 minute delay between the starting signal for the first fleet and the warning signal for the next fleet.**

11.6 The number of starts for the North courses will be determined after all registrations are received. The RC may choose to use rolling starts.

12. Recalls –

12.1 Individual Recalls will be signaled in accordance with RRS 29.1. Additionally, the Race Committee will attempt to notify OCS boats via hail by VHF.

12.2 Failure to transmit or receive this notification, promptness of the notification, or a boat's position in the notification sequence shall not be considered grounds for granting redress. This changes RRS 62.1(a).

12.3 General Recalls will be signaled in accordance with RRS 29.2.

13. **Shortening Course** – The middle course Race Committee may shorten any or all of the class courses to accommodate wind and weather conditions. If the Race

2022 ODBC Foundation Regatta PART 2

Committee elects to shorten course, the Race Committee will notify the fleet hoisting the "S" signal flag with two short horn blasts, while displaying the flag of the impacted fleet/s. The Race Committee may notify all fleets of the shortened course on VHF 69. All shortened courses will be finished at the Start-Finish line and its extensions. **North courses will use RRS 32.** Failure to transmit or receive this notification, promptness of the notification, shall not be considered grounds for granting redress. This modifies RRS 62.1(a) and RRS 32.2 for the middle courses.

14. **All shortened middle courses will be finished at the Start-Finish line and its extension.**

15. Penalties -

15.1 RRS 44.1 is modified by:

"A boat that may have broken a rule of Part 2 while racing may take a penalty:

(a) At the time of the incident, by taking a Two-Turns Penalty (as per RRS 44.1), OR

(b) By taking a 20% Scoring Penalty in compliance with RRS 44.3 OR

(c) After racing but before the start of a protest hearing involving the incident, by taking a 30% Scoring Penalty. A boat takes a post-race penalty by notifying the Protest Committee prior to their hearing. This modifies RRS Appendix V2.

(d) A boat's penalty score shall be the whole number of boats (rounding 0.5 upward) nearest to 20% (or 30% for RAF) of the number of boats entered, except that she shall not be scored worse than DNF. The scores of other boats shall not be changed. Therefore, two boats may receive the same score. This changes RRS 44.3, Appendix V2

15.2 **Collision with Race Committee boat. If a boat collides with any Race Committee boat her penalty shall be to retire from the race.** This changes RRS 31, 44.1, 44.2, and 44.3.

16. **The Finish** - For middle course finishes the Finish Line will be between the staff displaying an orange flag on the Race Committee Boat, and middle of the government mark at the pin end. There is no requirement to thread the needle during any race.

In the interest of starting another race and/or completing racing for the day in a timely fashion, the Race Committee may assign a finish position to one or more boats, provided that position can be determined in a reasonable manner. Such boat(s) will be scored as though they have finished and, if there is another race to be sailed, should promptly return to the starting area. This changes RRS 28.1 and A3.

17. **Retiring** - Any boat retiring from a race shall promptly notify the Race Committee, either by hail or radio transmission, and be acknowledged by the Race Committee.

18. **Protests** – Protests must be made in accordance with the current Racing Rules of Sailing to be considered a "Valid Protest". A protested competitor may be able to exonerate themselves from a foul by performing one tack and one gybe in the same direction or two tacks and two gybes in the same direction, in accordance with rule 31 or Part 4, paragraphs 44.1-44.2 or by taking a 20% scoring penalty on the water in accordance to rule 44.3. The committee boat should be notified of the intent to protest as soon as possible after finishing, notifying the RC should not interfere with the RC finishing other boats. The protest must be filed with the Standing Race Committee in person or by email at officers@discsailing.org within 45 minutes after the Race Committee boat for that fleet docks. Dock times will be recorded and announced for both racing areas. This modifies RRS

2022 ODBC Foundation Regatta PART 2

Failure of a boat to appear for a protest hearing will be considered grounds to proceed with the hearing under RRS 63.3(b).

19. **Scoring** – PHRF Races will be scored using “Time on Distance”, and PHRF of the Chesapeake CR (Circular Random) ratings. One Design fleets will be scored by a boats finish position in her fleet. All races will be scored using the "lowpoint" system Appendix A4.

The following shall apply:

- There will be no throw-outs.
- The completion of one race will constitute a regatta.

20. **Management** – The races shall be under the management of the Standing Race Committee, which shall have the full power to interpret the rules, decide protests and to reject entries of any yacht at any time. ODBC and DISC accept no responsibility for accidents occurring during the events.

21. **Safety** – All safety equipment required by the Coast Guard must be onboard. A minimum crew of two (skipper plus one crew) is mandatory for all PHRF entries. All yachts must meet all local regulations. Any yacht found negligent of Coast Guard safety regulations will be disqualified. All PHRF yachts must be self-righting at all times while racing.

Sailing is an all-weather sport. It is the responsibility of individual skippers to decide, based on conditions at the time of the race and their own assessment of their boat and crew's ability, whether or not to race. The Standing Race Committee is charged with determining if a race will be held. Such decisions will be made on the day of the race, based on conditions at that time. In the case of lightning, dangerous wind or other extreme conditions, the Standing Race Committee may decide to postpone or cancel a race:

Personal Floatation Devices – All crewmembers shall wear Personal Floatation Devices (PFDs) while the Y flag (red/yellow stripe) is displayed during racing. The Race Committee, may display the Y flag at their discretion. Should the Race Committee or Standing Race Committee observe a crew member without a PFD, except for the removal or addition of clothing, the yacht may be protested by the Race Committee or Standing Race Committee, even if the report comes from a person with a *conflict of interest*. Safety is ultimately each skipper and crew's responsibility, DISC encourages all competitors to wear PFD's at all times. This changes RRS 1.2, 40, 60.2.

22. **Commercial Traffic** – A boat shall not exercise right of way over, cross in close proximity to, or interfere with reasonable transit of the race area by commercial freighters, tugs and tows, or other commercial vessels. A boat charged under this *rule* has the burden of proof that she did not interfere with the commercial vessel. Boats must take evasive action well in advance of any potentially dangerous situation.

The Race Committee may *protest* under this instruction, including on information received from any person, including a person with a *conflict of interest*. If a competing yacht is found to have violated this rule by the Protest committee, the yacht shall be scored DSQ for that race. The Standing Race Committee may impose more severe penalties if they determine that gross negligence on the part of skipper or crew of the yacht in question endangered the safety of their yacht, other yachts, or commercial traffic transiting the racecourse. There will be no protest time limit for this rule. This changes RRS 60.2(a), 61.3.

23. **Disclaimer of Liability – Waiver** – All participants must sign a waiver. Owners and regular crew can sign online at www.discsailing.org in racing

2022 ODBC Foundation Regatta PART 2

resources, waivers will be available at the skippers meeting for new crew. It is the responsibility of the owner/skipper to make sure all crew have signed the waiver.

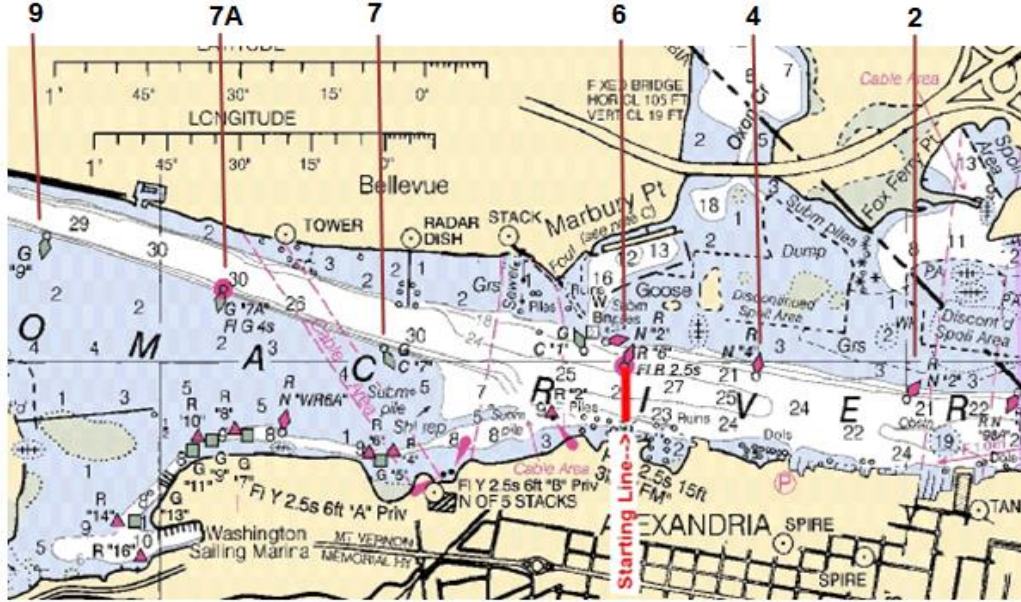

24. Competitors participate in this regatta entirely at their own risk. See Rule 3 (Decision to Race). The Organizing Authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

25. The safety of a boat and its crew is the sole and inescapable responsibility of the Skipper who must ensure that the boat is fully sound, seaworthy, and manned by an experienced and fully alert crew. Neither the establishment of regulations or inspection of a boat in any way limits or reduces the complete and unlimited responsibility of the Skipper.

26. ODBC, ODBC Foundation, and DISC or sponsors, race committee, officials, employees, or volunteers of Leukemia and Lymphoma Society do not accept responsibility for loss of life or injury to participants or others, or for the loss or damage to any vessel in any way or from any cause during or relating to this event.

Please contact ODBC Foundation (regatta@olddominionboatclub) with any questions about these Race Instructions.
